We send the following approved drawings:

Number	Sheets	Date	Title of Drawing / Your Ref.	Annuls/Replaces
PLMC-3205	1	28 Jun 2021	Accumulator type: L 0.35, Drawing No. L.1.0,35.4.X.D4.A Revision 2 - L.1.0,35.4.X.D4.A	

**Additional remarks:**

The arrangements in subject are to be surveyed and tested in accordance with all the applicable Rules. In particular, on the basis of our experience, it is deemed useful to highlight that the following characteristics are required for the arrangement, in addition to what shown in the approved drawings.

This approval is given in compliance with EN-13445-3.
